**Adventure holidays with all the comforts of home!**

**TRIGANO**

## FOR TOP-QUALITY ADVENTURES!

For the past 40 years, Trigano has manufactured trailer tents. Our products are designed and produced at our Mamers plant in the Sarthe region of France.

Unique in Europe, our know-how is reflected in the quality of our products.

The technical competence of our employees and the stringent demands we place on the materials used are what makes us special.

Canvas is an essential part of a trailer tent.

That is why we have chosen high-quality, waterproof and tear-proof cotton for the roofs and walls which is breathable and hard wearing.

The canvas is well ventilated and airy. We stitch all the canvas ourselves by hand and the seams are made using a lock stitch particularly resistant to all the wear and tear of modern-day life.

The trailers are almost indestructible. The secret lies in the choice of PVC, an ideal material thanks to its lightness, extreme robustness, easy cleaning and resistance to rust.

We therefore optimise the entire production line to offer you robust, practical and comfortable trailer tents designed to stand up to any weather imaginable.

## THE LITTLE DETAILS THAT MAKE ALL THE DIFFERENCE

### Easy to tow

Once closed, a Trigano trailer tent is the size of a standard trailer. It can be towed by any type of car, even the smallest models, offering almost no wind resistance. It is also easy to store in winter.

### Storage space

We know that you take a lot of luggage with you on holiday. All our models are equipped with storage spaces for easy transport. There are also options such as the tow-bar storage box or the luggage rack designed to carry specific equipment (bikes, fridge, etc.)

### Groundsheet

approved by our customers, these groundsheets are joined to the awnings by means of a zip fastener about 10 cm above the ground. They protect you against moisture and insects and also prevent the wind from creeping under the awning. You can remove them and refit them whenever you want.

### Sleeping comfort

Sleep as if you are in your own bed! The bedrooms are made of cotton tents which serve as a lining for the main canvas and are fitted with mosquito nets and flaps. The mattresses are wide and comfortable and the slatted bases are available on most models. All of our models offer two separate rooms (except the ALPHA) and you can also add extra sleeping areas (underbed tents, annexes).

### Kitchen unit

All of our models are available with or without kitchen units. These units are attached at the rear of your trailer tent and offer all the space and equipment you need. They are mobile so that you can cook outside your awning when it is fine (except the fixed kitchen unit on the ALPHA model). The kitchens on the ODYSSEE and OLYMPE models can be fitted with wheels.

**GALLEON** 07 | 108

## NEW FOR 2014

The ODYSSEE becomes a welcoming space which is even more light and airy, easier to use and available in a new colour combination: beige and green.

In the new interior bedroom, the roof is dark grey to block out the light to ensure you enjoy a good night's sleep. We have ensured more ventilation with the double outside doors with integrated mosquito net and new rounded doors.

**TRIGANO**

**ODYSSEE** 09 | 110

The rear window flap has been simplified. As a result, it is easier to use, lighter and more airy. The sides are also better ventilated thanks to the new side panels, one of which is fitted with a ventilation mosquito net, and the new integrated air vents. The front has been given an entirely new look with a new design incorporating 3 horizontal panels, including an upper mosquito net panel. The new optional sun canopy has been fitted with a continuous zip fastener stretching to the ground and a side window with flap, to which a triangular panel can be fitted to serve as a wind break and privacy protection.

The GALLEON, OLYMPE and ALPHA models all retain their individual advantages. The value-for-money of the GALLEON, the third central bedroom, unique on the market, in the OLYMPE and the solid base of the ALPHA.

## THE TRIGANO ADVANTAGES

### **/ A compact trailer tent**

Once folded, the Trigano trailer tent takes up little space and can be towed by all types of car without generating any wind resistance. It is also easy and practical to store in winter.

### **/ Generous storage space**

No need to leave anything behind; our trailer tent offer all the storage areas you need for your luggage. For specific equipment such as bikes or fridges, you can take advantage of our optional accessories: the tow-bar storage box or the luggage rack.

### **/ A protective groundsheet**

Ensure optimum comfort by using the groundsheet which will protect against moisture, insects and the wind. The removable groundsheet is connected to the awning by means of a zip fastener about 10 cm above the ground.

### **/ Very comfortable bedrooms**

Fitted with mosquito nets and flaps, the bedrooms are made of cotton which serves as a lining for the main canvas. The mattresses are wide and comfortable. The slatted bases are available on most models. All of our models offer two separate rooms (except the ALPHA) and you can also add extra sleeping areas (underbed tents, annexes)

### **/ The pleasure of cooking**

The kitchen units offer all the space and equipment you need to prepare your favourite meals. You can even cook in the open air as the kitchen units can be moved outside the awning (except the fixed kitchen unit in the ALPHA). The kitchens in the ODYSSEE and OLYMPE models can be fitted with wheels. The kitchen units are attached at the rear of your folding camper.

TRIGANO

## SPACIOUS ADVENTURE

Camping, yes, but where everyone can enjoy their own space!

The **GALLEON** trailer tent offers you the chance to make the most of your awning stretching back more than 3 metres and offering numerous storage spaces. The bedrooms, separated by a central cubicle and well ventilated, are ideal for enjoying a restful sleep. You will discover the efficiency of the assembly system allowing the cubicle and bedrooms to be set up in less than 3 minutes.

Finally, the **GALLEON** trailer tent offers you a choice.

A choice of equipment: with or without brakes, without or without kitchen unit.

A choice of colours: a blue and beige version with a touch of claret and a blue and white version. Another advantage of the **GALLEON** trailer tent is its value-for-money, which is one of the best on the market without making any concessions in terms of quality.

**GALLEON**

## COMFORTABLE ADVENTURE

A sudden desire to get away and discover new horizons?

Your **ODYSSEE** trailer tent in blue or green is ready and waiting to be transformed into your home from home in only 10 minutes.

Just a few simple movements and the bedrooms and awning are already assembled. Light floods in through the roof window. The slatted beds in the two separate bedrooms are just waiting for you to enjoy. The groundsheet, the sun canopy and the mosquito nets protect you from every kind of natural hazard.

When fitted with the optional wheels, the mobile kitchen unit is equipped with everything you might need and includes a sink and a gas hob with three burners to satisfy the appetites of the entire family.

The surface area of 19m<sup>2</sup> means that there is room for most families and even a guest in the bedroom annex.

TRIGANO

## LARGE-SCALE ADVENTURE

For holidays with the whole family!

Choose **Olympe**, our large-scale model which can house up to 12 people (6 children and 6 adults). With a surface area of almost 26 m<sup>2</sup>, this is the most spacious of our trailer tents. It boasts two independent bedrooms separated by a cubicle, which can be turned into a 3<sup>rd</sup> bedroom for 2 people. Add another annex and the underbed tents and you can house your entire family.

The large size takes nothing away from the speed and simplicity of assembly, as the awning opens at the same time as the bedrooms.

If everyone is sitting down to eat, the kitchen unit offers all the storage space necessary as well as a sink and a hob with 3 burners. It can be moved to cook under the awning or even outside, this becomes effortless with the optional kitchen wheels.

With the Olympe, enjoyment is guaranteed.

## LUXURY ADVENTURE

Get away just the two of you - sheer luxury!

Moving from place to place at the drop of a hat is possible with the **ALPHA**, our top-of-the-range model.

A few minutes is all it takes to open and close this trailer tent which offers genuine interior comfort with its large bed measuring 150x205 cm a slatted base, a large storage area with easy access to your luggage and a luxury kitchen unit with pre-installed gas and water connections from the front box.

And if you want to extend your stay, you can transform your **ALPHA** into a large trailer tent with awning, sun canopy, rear annex and additional bedroom.

To travel in total freedom, opt for the **ALPHA**.

# OPTIONS

TRIGANO

	OPTIONS AVAILABLE
GALLEON	●
ODYSSÉE	●
OLYMPE	●
ALPHA	●

## Side annex

Fitted with a window, flap and mosquito net, this annex can be used as a bedroom or toilet cubicle.

## Underbed tent

This additional bedroom is installed under the beds. Consisting of a cotton tent and a groundsheet to protect against moisture, it is ideal for the kids.

## Sun canopy

Extend your trailer tent with a sun canopy. The shapes vary according to the models to match their design. The sides can be lifted on 2014 models (except Alpha).

## Mosquito nets

Replace the doors with mosquito nets during hot summer days.

## Storage box

Indispensable for transporting a fridge, a WC, a bottle of gas, etc.

## Storage bracket

In the off season, this storage bracket allows you to store your trailer tent with ease.

## Luggage rack

To transport suitcases or up to 3 bikes, (bike carrier not provided).

## Spare wheel

Placed under the trailer, it offers easy access. A jockey wheel is also available to help you move your trailer tent with ease (see photo 5)
